VOLUNTARY CONTRIBUTION REQUEST

In today's economic environment, it's important to build the foundation for the lodging industry's future. That's where the Pennsylvania Hospitality Foundation (PHF) comes in. As your industry's charity, we are dedicated to helping the lodging industry succeed by recruiting and building more employees to our industry.

The Foundation can only accomplish this critical goal through the financial support it receives from the industry. Make PHF your charity of choice. Together, we can raise funds to help build a well-trained lodging workforce.

Here is my commitment for tomorrow's future lodging industry leaders:
