PTLA-PEF CONTRIBUTION FORM

The PA Tourism & Lodging Association's Political Education Fund (PEF) raises individual and corporate contributions to educate state and local elected officials on issues affecting the tourism industry. The

PTLA-PEF also works to protect and promote the tourism industry in Pennsylvania fighting anti-business initiatives at the state and local levels.

On Capitol Hill, PTLA is engaged in issues that **impact** the tourism industry, such as room taxes, tourism marketing funding in the state budget, mandatory menu labeling, mandatory lifeguards, Post Labor Day School Start, and the Pennsylvania Liquor Code, to name just a few. It is as important as ever to keep the PTLA-PEF strong in order to support the Association's legislative program. PEF funds are also instrumental in supporting PTLA's lobbying efforts, PTLA's Annual Legislative Day in Harrisburg, Gubernatorial Candidates Presentations, and PTLA's Tourism Industry Summit.
