

PTLA WEBINARS 2008-2009

Business Continuity Planning for All Hazards Events

May 20, 2009 • 2:00PM - 3:00PM

Presented by: *Patrick Shull, Director, Security Services, Hilton Harrisburg*

History repeats itself but poor planning should not. Everything from severe weather, utility failures, and viruses to terrorism has impacted our communities, businesses, schools and families. This session focuses on preparing for, surviving and recovering from an all hazards event. Let's walk through the process together building a plan to meet our future challenges.

COST: **\$49.00** for PTLA members
